

Si2 Board of Director Elections – Nominations

Reply Requested by May 15, 2020

One of the significant benefits of Si2 membership is the opportunity to nominate and elect representation on the Si2 Board of Directors each year. This outline reviews the process leading to the election of the 2020-2021 Board.

- Nominees should be an officer or otherwise be empowered to act in a senior management capacity on behalf of your company and the Si2 membership at large (see below).
- To be eligible to nominate a Director, membership dues must be current for the nominating company and throughout the term of its representative Director.
- If there has been a change in your corporate representation or, if for any reason, you do not have the responsibility for completing the nomination form, please forward to the appropriate person within your company and notify us .
- Nomination forms are not required for current board members wishing to stand for reelection.
- Please return the enclosed Nomination Form including a Nomination Statement (see guidelines in Nomination Form) to Si2 by May 15, 2020.
- If you have questions regarding membership or the election process, please contact Terry Berke at 512-917-1358, or tberke@si2.org.

Board of Director Stipulations

- Qualifications
A nominee must be an officer of an Si2 member company and/or hold a position in their company as a key decision maker in matters relating to the purpose of Si2 with the associated budget and organizational implementation authority. Typically these positions will hold the title of Vice President, and/or Director (or higher) for large corporations, or CEO/Vice President for smaller companies.
- Board Designation
In accordance with [Si2 bylaws](#) there are 11 annually elected elected positions: seven non-EDA (“users”), three EDA (“suppliers”), and one either “user” or “supplier” company. This mix ensures an appropriate balance in representing Si2’s diverse membership. In the case of mid-year changes in corporate affiliation, including mergers or splits, board seat privileges follow the elected corporate entity rather than the individual.
- Term
One-year obligation, renewable solely through re-election.
- Meeting Requirements
Quarterly one-day Board meetings
Interim telephone meetings, as needed
