Silicon Integration Initiative, Inc.
9111 Jollyville Road, Suite 250, Austin, Texas 78759

Important Dates

- **October 14, 2020**—Sign and return. To receive a payment deferral, check box in Part 1.
- **December 31, 2020**—Payment due for companies not requesting a deferral.

Please complete and return this form **by October 14, 2020**. An invoice for your 2020 CMC membership will be sent to the billing contact listed in Part 2. To receive a payment deferral until April 1, 2020, you must indicate so in Part 1.

Part 1: April 1, 2020 Payment Deferral Request

Required for members requesting April payment deferrals. If no deferral is requested, please skip to Part 2.

To better serve our members with fiscal years that do not align with the calendar year, Si2 is allowing your CMC payment for the 2020 membership calendar year to be made in April 2020. By checking the box below, you confirm your company's fiscal year does not begin in January, and you request your 2020 calendar year dues payment date be deferred to April 1, 2020.

Check here to request a payment deferral until April 2020. (Signature Required in Part 3)

Part 3: Model Selections

Please select the model(s) for which your company wants designation rights in 2020. Designation rights allow the member access to beta versions for those designated models with the sole purpose to evaluate and provide feedback to model developers and other committee members. It also gives the member rights to vote on model work list prioritization.

	Regular Member \$22,600 Base fee and one model. Choose one model.	Additional Models \$4,000 each May add up to five models for a total of six models.	Global Member \$46,000 Participates in all models but may designate up to 15 models for determining fund allocation.
